

Tatenhill Aviation Limited
Tatenhill Airfield, Newborough Road, Needwood,
Burton upon Trent, Staffs. DE13 9PD. United Kingdom
Tel: +44(0)1283 575283 www.tatenhill.com

Following Government advice, Tatenhill Aviation Ltd will be closing from 17:00 on Tuesday 24th March for flight training or private hire of aircraft and Flight Experiences. The Prime Minister's message was very clear, and we must comply with the Government's measures.

We will be continuing with our maintenance work in line with the UK government's advice as we've implemented social distancing along with increased hygiene and cleaning practices across the business. Fortunately, our maintenance setup is well suited to these measures with ample space to facilitate social distancing while allowing us to maintain our usual capacity. Please email paul@tatenhill.com should you have any requirements you would like us to quote for.

Anyone who has Flight Experience vouchers and who are booked with us, if your voucher is with 3rd party's, Virgin, Adventure 001, Activity superstore and Into the Blue, please contact them directly to extend your vouchers should that be necessary. If your voucher is a Tatenhill Aviation Ltd Voucher, we will extend the expiry for as long as it takes to get your flight experience flown.

We will post on our website www.Tatenhill-aviation.co.uk when we are able to resume flights, as soon as it is permitted to do so.

The Airport Team would like to thank you all for your support in this difficult time.
